## ABOUT US

Pilbara Meta Maya Regional Aboriginal Corporation (PMMRAC) is a 100% privately owned, not for profit, Western Australian Aboriginal organisation based in Port Hedland in the Pilbara and represented in Perth and Karratha. The organisation commenced in 1994 and was set up to service the Housing requirements for the Aboriginal Communities across the Pilbara.

Since inception, PMMRAC has matured and is now an acknowledged professional and quality organisation delivering value added services to the Pilbara communities. The services delivered are based around facility management at Mirnutharntu Maya, Housing Management, Environmental Health and Municipal Services. Meta Maya Services manages the installation and maintenance of essential services i.e. power, water and wastewater infrastructure and Meta Maya Environmental specialises in Asbestos and Hazardous materials.

## WORK WITH US

Typical roles available on community include trade positions within Meta Maya Services and Municipal Services, Environmental Health and Housing Officers within PMMRAC.

Trades are required to install and maintain the infrastructure to support the essential services of power, water and wastewater provided to community. Regular trades required are Electricians, Diesel Fitters, Mechanical Fitters and Plumbers.
